## About

### The Conference

The ACSE hosts an annual collegial gathering of editors, reviewers, researchers, librarians & publishers from Asia region to learn latest innovations, build new connections, discuss important issues of scholarly publishing community and explore their best possible solutions

Like every year, Asian Council of Science Editors will invite industry's leading names to address delegates attending the 2021 ACSE Conference.

Speakers will share their insights, projections and findings on the evolving publishing industry landscape, its future and new market realities facing Asia's publishing industry.

Don't miss this  
*prime event*  
that will change the  
way you do business
